

Start Strong PA

Start Strong PA aims to improve healthy development outcomes for infants and toddlers by increasing support for and improving the quality of child care programs that serve them.

Start Strong PA will continue to engage with early childhood educators on the direction and outcomes of the Campaign so we can best support you and the important work you do.

Share Your Story

Early Learning PA is launching Start Strong PA this fall. We need educators like you who have experience working with infants and toddlers to share your story via video. By sharing your experiences, you will help us inform Pennsylvania legislators and advocate for the necessary changes to make healthy development outcomes for infants and toddlers possible.
