ALL TRAINING COUNTS FOR ACT 48 CREDIT

Our Live Webinars are the closest thing to a face to face training that you will experience. All of our instructors are trained to effectively deliver PD in this format.

Try one – you won't be disappointed!

Some dates and times subject to change based on enrollment figures. Check the PD Registry Calendar; "Training Calendar" and refine your search with the date to see our trainings. MOST of these trainings are already listed on the PD Registry. Check back for the ones that are not posted yet. Check the calendar, as we may add more trainings as needed.

Practice Based Coaching Opportunities – New!

Our new model for PD will involve a small cohort in each class where baseline PD will be offered, followed by a focused observation and coaching in your classroom or site, followed by some more PD and a follow up observation and coaching session. 32 hours of PD to help you improve your practice for only \$21! Space is limited.

Email us today for registration information. Participants will be chosen through an application process. Must be willing to improve your practice and use this as part of a broader PD Plan.
