

## LEHIGH AND NORTHAMPTON CHAPTER

---

### Pennsylvania Association for the Education of Young Children

We invite Berks, Lehigh and Northampton counties' Center Directors to join us for a roundtable discussion with **Jill Glose, VP of Clinical Services for Easter Seals of Eastern PA (ESEP)**. Jill oversees their pediatric outpatient center and specialty medical clinics. Jill was pivotal in starting an Autism Diagnostic Clinic (ADC) in partnership with Children's Hospital of Pennsylvania. The ADC, along with an ABA: Parent Training program expanded to the Lehigh Valley and Pocono region in July 2020. Jill directs ESEPs Early Intervention program in the northeast region. Hear how your center can utilize the online Ages & Stages Questionnaires®, Third Edition™ to help families in your care see if their child's developmental progress is on time and to help alert them to any potential concerns.

**Tuesday, September 22, 2020**

**1 pm - 2 pm**

**No need to travel -- we'll be meeting virtually on Zoom!**

**To register please email [jmschwartz@rcn.com](mailto:jmschwartz@rcn.com) and put "Roundtable" in the subject line. You will be sent the Zoom link prior to the presentation.**
