

Judy Witmer is an accomplished early learning executive officer and educator with over 35 years of experience in profit and non-profit companies that managed multi-site programs including private and employer-sponsored learning centers. She is an inspired leader of opening new facilities and maintaining established centers. Judy strives to find enhanced systems to create financially sustainable centers that achieved the highest level of standards of operation and curriculum based on national (NAEYC) and state (PA, NJ, WV) quality assurance initiatives.

Judy serves on various advisory boards and has presented at a variety of early education conferences and events. Her favorite role is as co-learner with hundreds of early learners. Judy has a Master of Education Degree in Early Childhood Education
