9:00am - 1:00pm

Description

This session is sponsored by the Capital Area Chapter of PennAEYC. The Heartsaver Pediatric First Aid CPR AED course is designed to meet the regulatory requirements for childcare workers in all 50 United States. It teaches childcare providers and others to respond to and manage illnesses and injuries in a child or infant in the first few minutes until professional help arrives. It covers the four steps of first aid and first aid skills such as finding the problem, stopping bleeding, bandaging and using an Epinephrine pen, as well as child CPR AED, infant CPR and optional modules in adult CPR AED, child mask, infant mask and Asthma Care Training for Child Care Providers.
