

THE *voice* OF EARLY CHILDHOOD IN PENNSYLVANIA

Voice for Children Award Celebration

The Pennsylvania Association for the Education of Young Children (PennAEYC) is a non-profit organization with more than 2,100 members representing the early learning community and its supporters in Pennsylvania. Our mission is to be an effective voice for high-quality early childhood care and education. We do this through policy development, advocacy and professional development and support for early childhood professionals.

The Voice for Children Award is the only statewide award in Pennsylvania recognizing grassroots leaders in advocacy whose work impacts the quality of care for young children. The Voice Award celebrates not only individual award recipients, but the entire early childhood profession.

The 2026 Voice for Children Award Celebration will honor individuals from across the commonwealth on Friday, April 10, 2026, at the Hershey Lodge in beautiful Hershey, PA.

A partnership with the PennAEYC through sponsorship offers the ability to honor early childhood advocates and raise awareness about the important role early care and education has for our children, families and communities. The Voice for Children event represents an opportunity to showcase companies who believe in and support the importance of advocacy and the role it plays in giving young children the best possible start in life through high-quality early care and education.
